Anatomy of a Filter Cartridge.

Fundamentals of a properly designed pool or spa filter cartridge.

Pleatco Free Flow Cores

Engineered ABS for great flow.

Pleatco's unique Free Flow Cores MAXIMIZE filtration performance of the entire cartridge by delivering optimized water flow to a large surface area of the filtration fabric to capture dirt particles. Pleatco Cores are highly engineered, incredibly strong molded ABS.

Strong End Caps

Pleatco end-caps are break resistant, with ergonomic handles and easily identifiable part numbers.

Super-bond Bands

Pleatco break-resistant super-bond bands are sealed tight to the filtration fabric with an incredibly strong unique bonding process keeping the pleats sharp and separated for good flow and performance.

Reinforced Center Cores

Our meticulously engineered center cores allow for increased dirt loading and high pressures while providing ultra-solid protection for the structural integrity of the cartridge.

Pleatco SmartTrack

A Pleatco Innovation!

Pleatco's Smart Track time stamping technology allows for lifelong product identification, quality tracking and warranty accountability. Designed to provide true customer support and a 'real life' feedback mechanism for us to keep advancing the research and development of our filtration products.

Pleatco Advanced Filtration Fabrics

• High fiber count - Holds more dirt!

Pleatco Advanced Filtration Fabrics are a uniformly point bonded media with HIGH FIBER COUNT and reduced pore size distribution offers rapid cleaning and dirt holding capacity, delivering low pressures and high flow rates for excellent cleaning results.

PLEATCO.COM

Honoring excellence.

The Pleatco Perfect Tech Contest originated in 2008. What started out as a local contest quickly turned into a serious nation-wide search. While some of the original entries were funny, most of the entries were submitted by loyal customers who truly appreciated the commitment to service at the highest level by their Pool Tech.

Over the past fourteen years, more than 1,500 people have entered the contest and nearly 20,000 people have voted for the winners. Each year, the Pleatco Perfect Pool Tech Search has grown and continues to illuminate the strengths and passions of the pool service industry. Pleatco is proud to honor the men and women who work hard each day to not only service pools and spas, but also help educate and care for their customers.

Pleatco, GENESIS and the Pool & Hot Tub Alliance and AQUA are honored to be the co-sponsors of this important industry event.
